

We care your safety

We make your safety

温州东易光学有限公司
Wenzhou Dongyi Optical Co., Ltd.

About us

Wenzhou Dongyi Optical Co., Ltd. Is the professional manufacturer of safety glasses from Taiwan. We built our factory in Wenzhou, mainland china in 2002 and with the development of over 15 years, we have had great team to give you best support on product and service:

- We have over 7000 square meters production area and over 150 workers. We have ability to supply around 120,000 dozens each month;
- In-house mould department: we have full sets of mould making machines. All mould design, making and maintenance can be done in my factory. This will well support our good delivery time and product quality;
- In-house lens coating department: we have auto machine to do all kinds of lens coating like anti-scratch coating, anti-fog coating, in/out coating and other mirror coating;
- In-house lab for testing: product meet standard: ANSI Z87.1, CSA, EN166 and AS/NZs 1337.6. we have lab to make impact testing during production;
- My facory is certified by ISO9001;
- Professional sales team to give you good and effective communication and services;

We are trying to be the best choice for your company and hope to have chance to work with you.

“We care your safety &We make your safety”
